Before the Storm ...

... our Parent Night was scheduled for December 13th. We were to learn about Guided Reading, the way our children are learning Math, and Progress Report. Also, a group called School's First was scheduled to inform us on some of the levies that are on the ballot in February.

Those who attended Multi-Cultural Night had the opportunity to meet with Ms. Gallardo, Ms. Clark, and Ms. Wynhoff to learn more about the progress reports. The three were more than willing to answer all questions and tried their best to put us all on the same page. **THANKS FOR YOUR TIME!**

School's First did not have this opportunity. They are hoping we all visit their website to read about what they are hoping to accomplish. If you agree with their voice they would welcome volunteers and for certain donations.

If you have specific questions you can contact our VP of Legislation, Jennifer Bucher, and hopefully she can point you in the right direction.

Reminders!!

Don't forget the pledge drive is still going on! We are getting close to our goal of \$50,00 - almost all the books are on the shelves! If you have not done so, please turn in your pledge via kid-mail, snail-mail, or just bring it to the office. You can also turn in a friends and family form. No donation is too small!!

Ms. Davies, our terrific art teacher, is asking for a photo of your house, apartment, or condo (or a house you are familiar with) to complete her architectural study this year with out children. Please send in your photo with student name and room number as soon as possible. **MANY THANKS!**

**Happy
New
Year**
